

Polimetrics

Third Assignment

Deadline: 30 October 2018

- 1) Open the South Africa party manifestos of the May 2014 election
- 2) Identify which are the 5 most frequent words for each party manifesto
- 3) Analyze such texts via Wordfish
- 4) Analyze such texts via Wordscores, using as reference texts: African National Congress=5.2; Democratic Alliance=10.5 and focusing on raw scores
- 5) Compare the results you get via Wordfish, via Wordscores and with some left-right scales you can get via CMP data
