First Assignment

Deadline: 18 January 2021

- 1) Create in Quanteda a corpus by focusing on those US Presidential Speeches given between 1856 and 1870
- 2) focus on the word “slave*” and extract some interesting descriptive statistics related to it
- 3) focus on the Presidential Speech given by Buchanan and compare it with the Presidential Speeches given by the other Presidents
- 4) Send to my email (luigi.curini@unimi.it) a pdf file with the results (that include: scripts; tables/graphs; comments)
