

Big Data Analytics

Second Assignment

Deadline: 19 October 2023

Two options

First one:

- ✓ Let's employ the dataset involving the articles published on the Guardian in 2013

Apply a topic analysis; justify the number of topics extracted and then try to label them

Deadline: 19 October 2023

Two options

Second one:

- ✓ Make any query you want on the CMP dataset. You can for example select one specific election in a given country

Apply a topic analysis; justify the number of topics extracted and then try to label them
